# Zero Waste Takeout Containers

## Why Purchase Earthware Containers?

### Lower Your Costs

- Competitive pricing to single-use containers.
- No change to your operations.
- A 70¢ deposit per container is applied to your order, which you pass onto your customer. Your customer then returns the containers and lids to a bottle depot for a 50¢ refund.

### Build Your Brand

- We promote your business to a massive audience, of highly engaged and high income consumers.
- We provide you with customer data that you can use for your marketing.
- Stand out from your competition and showcase your food in the highest quality containers that brings customers back for more.

### Compliant

- Compliant with government packaging bans.
- Cleaning exceeds health standards.

		Your current supplier
• Ongoing contests to drive customer engagement		
• Shares in Earthware for each case purchased		
• Guarantees to eliminate risk		
• Marketing Efforts:		
◦ Link to your business on Earthware's popular website map		
◦ Your logo on Earthware delivery vans		
◦ Social media promotion   texts to our database of followers		
◦ Spotlight of your business to our email list		
◦ TV   Radio   Print mentions		

Choosing Earthware as your container supplier lowers your costs, brings in new customers, increases customer loyalty and helps to stop millions of takeout containers from going into our landfills or becoming garbage on our streets.
